### Peace In Life's Storms

Some days we look around us  
and all we can do is sigh  
It's hard to find a glimpse of hope  
peeking out from questions of why

We see friends whose hearts are aching..  
People are hurting everywhere  
Many asking "Where is God-  
Is it possible He doesn't care?"

Yet it's those same enquiring minds  
Who claim He isn't real....  
If they don't believe that He exists,  
How can they expect Him to feel?

If only these people realised  
They're wrong on two accounts-  
Christ is real, and He DOES care  
He loves them despite their doubts

Over time I've come to realise  
That although we now don't understand  
We don't have to question when things go wrong  
It's somehow all part of God's plan

If you learn to trust our Saviour  
Without expecting it all to be clear  
He will give you peace until that day  
When He'll take you to the place of no tears

- Alison. J. Prior

### STORY WRITING

#### GOLDDILOCKS AND THE THREE LITTLE PIGS

Once upon a time not very long ago there lived three little pigs and Goldilocks. One of the pig's names was Ham, the second was Bacon and the third pig's name was Pork. They all lived in a little town called 'Porcupine'. One hot summer's day Ham, Bacon and Pork decided to go to their local swimming pool. The pigs got there and they saw Goldilocks and Bacon said "Goldilocks, why are you here?". "Oh I thought it was a hot enough day to go to the swimming pool." So the three little pigs hopped into the pool with Goldilocks. They played together doing bombs, jumping in at the deep end and having lots of fun for three hours.

After a long time Goldilocks decided to hop out but Ham, Bacon and Pork were having too much fun. Then Goldilocks just realised that she forgot to bring her towel. So she used Ham, Bacon and Pork's towel. When she had finished, she told the pig she had used their towels. Ham replied, "I actually rubbed dirt all over my towel, I like it like that." Bacon said, "I put sheep manure all over my towel, I like it like that." Pork said, "I spread compost all over my towel, I like it like that." Then Goldilocks ran and cried all the way home. The pigs laughed, giggled with glee and they lived happily ever after.

### THE THREE LITTLE BEARS

Once upon a time there were Three Little Bears. They lived with their Mum in a cave, then their Mum said you have to build your own house. Then the first little bear made a cardboard house. Then a dog came and barked and it was so loud the house broke. Then the first little bear ran to his brothers' house. His brother made his house out of sticks and the dog came and barked and again his house broke. The third little bear was making a volcano. Then the two little bears ran to the volcano and the dog barked but he couldn't get it to go down. He then climbed up into the volcano. The bears turned the switch on and it blew up and the dog died.

### THE GINGERBREAD MAN

Once upon a time there lived me and Luke and Jed. I got the butter then we got the bowl and we put butter in it. Then we put the bowl in the microwave oven. The Gingerbread Man ran outside and he ran to Melbourne then he ran to Horsham then he ran to the Football Oval and he got hit by the Football.

### CINDERELLA

Once upon a time Cinderella was digging in the garden and she found a Centipede and she went to get a pot to put it in. She forgot to put gloves on and she stung herself.
