

St Peter's Lutheran School

Classroom/specialist Teacher

St Peters Lutheran School is a school of the Lutheran Church of Australia and is one of over 80 schools throughout Australia. We have a current enrolment of 20 students.

The school understands Christian education to be concerned with the complete development of the individual in all aspects of his/her being, namely, spiritually, personally and socially. It sees all development in knowledge, skills and attitudes as intimately and integrally related to growth in Christian faith, understanding and character.

Teachers are required to be supportive of the ethos of the school by setting an example of personal conduct consistent with this Christian environment.
