From the Principal

Hi everyone, I hope that you have all had a calm and constructive week. The weather has been fantastic, which has allowed us all to get outside and keep active and fit through plenty of training for Cross-country and Athletics. The weather can be a little inconsistent at this time of the year so please make every effort to send your children suitably dressed for this changing weather.

Thank you to all of the parents that came along to our P&F AGM on Wednesday afternoon. Thank you to all of the parents that have taken on a position on this committee. It is always pleasing to see new faces coming along and being a part of our school community.

Just letting you know that I will be away from school next week on both Thursday and Friday at a meeting for Business Managers and Principals in Melbourne.

I will be unable to be at the Parent teacher interviews next Thursday and Friday but will be available to you in the following weeks if you require an interview.

Another reminder that Andrew from 'Creations Photography' will be coming to our school on Wednesday the 23rd of March. This isn't very far away now so please take note and be prepared for this day. Remember it is full summer uniform for all boys and girls and we are asking all students to bring along their Bomber Jackets in case they are needed.

Over the coming weeks some staff, parents and students will be invited to participate in my 'Principals Appraisal'. It was scheduled for last year however, it was postponed due to COVID-19 and all the restrictions that were in place. This will involve an interview in person here at school. It is an important part of my own professional learning and Leadership journey. If you receive information in regards to this process and have any questions please speak to Rochelle Walters in the front office between 8:30-2:30 Monday to Friday.

A reminder that the start of each year there are always several notes that you are required to fill out and return for our records. Please make every effort to fill these in and return them all by the end of next week.

Have a safe and Blessed weekend,

Tim Reimann

Devotional Thoughts

The ways of the righteous

by Pastor Tim Castle-Schmidt

For the Lord watches over the way of the righteous, but the way of the wicked leads to destruction (Psalm 1:6).

[Read Psalm 1](#)

I've got a confession to make: Psalm 1 no more describes me than does the phrase 'mercurial athlete'. How I would love to be the person planted in that stream, who prospers at whatever I do.

Our world so rewards people for their achievements. Not so with our God. Our God watches over the way of the righteous, and yet we still prosper! And that can only be because our righteousness is not our own. We live by God's grace, daily. We prosper because God imputes Christ's righteousness to us. We are only made righteous when we acknowledge that we are utterly unrighteous. It is only when we go to God empty-handed that God fills us up to overflowing.

Our righteousness, then, is fleeting; as soon as we think we have grasped it, it is gone! Well, it would be if it counted on us. But we can be assured that in Christ we are made fully righteous, freed to live and freed to serve.

The Lord watches over the way of the righteous, indeed. It only once we have been made righteous in Christ that we can do anything worthwhile. So stand in Christ's righteousness, lift up the lowly and stand up for the oppressed.

Thank you, Lord, for making me right with you. May your righteousness flow through me to others, that they, too, may receive your gift. Amen.
