### From the Principal

Welcome to the first week of term 3. Can you believe we are half way through 2022.

I hope everyone had a safe and enjoyable break. The weather was very kind to us during the two weeks. I hope you were all able to get outside and enjoy some sunshine, once the morning frost disappeared.

During the holidays, we had some work done around the school grounds. We had Nelsons tree service come and cut trees down to make room for the shelter that is being put over the basketball court. The yard looks very different without them but we are excited for the shelter to be built. Stephan Kalms has also been busy keeping our school grounds maintained, they are looking great and we are thankful for the time and effort he is putting into our school.

Congratulations to all students who participated in the Athletics carnival at the end of the last term. All students put in a huge effort and should be very proud of themselves. Well done to the award winners of the day. Oliver Walters and Jayla Milthorpe were awarded the Junior school champions and Dane Paech and Bridgette King were awarded the Senior school Champions.

Next Wednesday the senior students, along with Cill and Ms. Walker will make their way to Swan Hill for 3 days/2nights. I've had a look at the itinerary and it looks to be a fantastic 3 days. I look forward to hearing about all the new experiences and knowledge they gain from camp.

Today P&F made toasted sandwiches as part of hot food Friday. It's always lovely to have a hot lunch on these cold days. Thank you to all that make these lunches happen.

We'd like to welcome Sheena King who will be working casually in the office while Rochelle is on leave. At this stage, Sheena will be in the office on Tuesday, Wednesday and Thursday. Please be patient with Sheena while she learns the ropes.

Have a safe and enjoyable weekend,

Millie Dent

## Set your face towards the lost sheep of Israel

by Pastor Tim Castle-Schmidt

**But go rather to the lost sheep of the house of Israel (Matthew 10:6).**

[Read Matthew 10:5–23](#)

When God calls, we are in a privileged place to be invited into God's mission. Sometimes that takes us along smooth paths, but more often, we get called to roads we neither expect nor might choose. That's certainly been my experience.

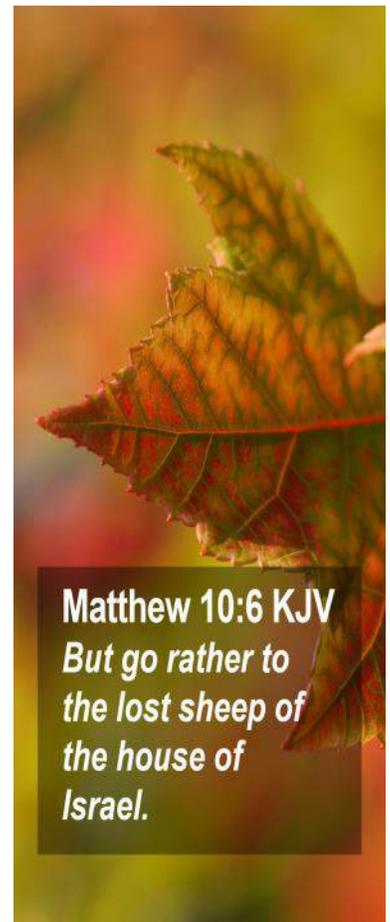

And when God calls, he typically sets our faces towards the lost. Indeed, if we are honest with ourselves, we are all lost (and so terribly lost!), and until we acknowledge that, we cannot be found.

Jesus came, remember, to seek the lost.

And so, as soon as we can recognise that we are as lost as the next person, the sooner we can know that God is actively seeking us. But God never leaves us where he finds us. Whether that is to a new station in life, a new town or country, or a new mindset, God leads us to a new place.

We, the lost, are found and then sent with a new call on our lives. That may be a call to see things differently in our own backyard or a whole new backyard. Either way, we are called to set our faces towards the lost.

***Lord Jesus, you set your face towards us because we were lost and then call us to seek the lost sheep of Israel. Help me acknowledge my own lostness so that you can truly find me, and then give me eyes to see the lost ones you lead me to. Amen.***
