From the Principal

Hello everyone, I hope that you have all had another fantastic week. Thank you to all parents and caregivers for filling in all of the forms and notes and returning them to the office for our files. I know that the beginning of year brings with it many items of paperwork however, we must keep all contact details and medical information up to date each year. Please don't forget that we do need the photo envelopes returned by Monday the 18th of March so that we are ready to go for the school photos on Thursday the 21st.

This term is certainly speeding past as we fast approach the Easter Holidays and the beginning of much cooler weather. Please remember to encourage your children to either wear to school in the morning or at least bring along their Bomber jackets for this cooler weather. I understand that while children are in transit they may well be toasty warm, however, once at school all students are required to stay outside till the morning bell goes.

In week 9 we have **Parent/Teacher interviews on Thursday the 28th March and Friday the 29th March**. A note went home last week on which you were able to pick several times that were your preference for this interview. If you did not receive this note, please come in and see Mrs. Walters in the front office as soon as possible as the times available are booking fast. If both days do not work for you to come in, we encourage you to make another time over the next few weeks after school to meet with your child/children's teacher.

Each morning all staff and students are completing several circuits of our school ground as exercise and preparation for Athletics and the Cross-country events coming up on our calendar. Our local Athletics is on April the 3rd at DMSC. Once again, this year we will be spending the day mixed in with students from DPS. We encourage all parents and friends of our school to come along on this exciting day and support our students as they participate in a wide range of athletics events. Thank you to those parents that have volunteered their time and energy to help on this fun day of activities.

We love our art and craft at St Peters and have a very well-resourced art room however from time to time we look to stock up on some everyday items you may accumulate at home. If you have an excess of egg cartons, clean and washed yoghurt/fruit containers, Small take away tubs etc we would love to have any that you can spare. They are extremely useful during construction activities and the containers also get used regularly when painting and gluing.

Don't forget that we have **school photos on next Thursday the 21st March**. All students are to wear their summer uniforms and to bring along their Navy-blue bomber jackets. Please ensure that all children are dressed neatly and tidily.

Have a wonderful weekend,
Yours in Christ,

Tim Reimann

Devotional Thoughts

The best food

Jesus returned from the Jordan full of the Holy Spirit and was led by the Spirit into the desert, where he was tempted by the Devil for forty days. In all that time he ate nothing, so that he was hungry when it was over.

The Devil said to him, 'If you are God's Son, order this stone to turn into bread.'

But Jesus answered, 'The scripture says, "Human beings cannot live on bread alone."'

(verses 1-4)

Read [Luke 4:1-13](#)

Perhaps I'm related to Bart Simpson after all—we both love food. Only, where he says, 'Mmm, chicken', I say 'Mmm, lemon meringue pie'.

Isn't it good that while we're tucking into our food we can know it's also doing us good (well, most of it), providing our body with the nutrients we need to stay alive?

What's even more wonderful is that God has provided us with the food we need—his word—that will ensure we stay alive forever. God's word points us to the one who said, 'I am the bread of life' (John 6:48). As we feed off Jesus by drinking in and digesting all that God's word tells us about him, our faith is nurtured by the Spirit for a never-ending life with God.

Food helps make this life good. The food God has for us in Jesus ensures a quality of life so good we can't even imagine it.

We'd be foolish not to get into it, wouldn't we?

Thank you, heavenly Father, for feeding me through your word. May it keep my faith strong until I'm with you in heaven. Amen.

JESUS IS SO RIGHT!
WE CAN'T JUST LIVE
ON BREAD ALONE...

I'M GLAD TO HEAR
THAT YOU AGREE!

OH YEAH— I NEED
AT LEAST AN
OCCASIONAL
PORTERHOUSE STEAK
AND DRY MARTINI!

Join our Pictureproducts Project!

Turn your child's treasured memories into durable, high-quality melamine Pictureplates that will last a lifetime!

Both decorative and useful, Pictureplates are simply beautiful. Children love eating off their very own Pictureplates, and as the years go by and they grow up and have their own families, their Pictureplates will bring back memories of those happy childhood years.

For a functional keepsake, a melamine Pictureclock or MDF Small Clock can be mounted on the wall to keep your child's precious artworks permanently on display. We are also offering a range of other products decorated with your child's artwork, such as plastic or ceramic mugs, water bottles and calendars.

Your child can use photos, markers, hand and footprints and paints to create their artworks, and you can order as many copies of your products as you'd like, so it's a fantastic gift idea for grandparents and family members. What will your child draw?

How to get involved

We'd love for you to join in this exciting and creative activity. Just choose which products you'd like to order, and how many of each product you would like.

Fill out and bring in your order form with cash or you may direct deposit into Playgroup's bank account (please ask for details) in an envelope marked clearly with your name and 'Pictureproducts'.
