From the Principal

Hello everyone, welcome to week 2 of term 4. I hope that you have all had a wonderful week. The weather has been quite unpredictable of late with some cooler mornings and then some very warm days. We appreciate your support in encouraging your children to wear their hats each day. First and Fourth terms are always 'No Hat, No play in the sun today' we are a sun smart school and as it warms up even more we will also encourage the regular application of sunscreen.

We wish to congratulate Lionel, Sam, Eloise and Kylie on the safe arrival of their son and brother 'Toby'. Both Sam and Toby are doing well. We are all very excited to meet the new member of your family.

We will continue to keep you all up to date in regards to any health advice received from government departments in respect to School operations. Our school is still being cleaned every day of the week. All staff and students are following strict hygiene practices and anyone unwell is being asked to stay at home until they have recovered.

Next week is our Book Week!! As has been in the past there will be books and other items on display all week. This year will look different mainly for parents and caregivers due to the way in which books can be looked at and purchased. At this stage the room will only be accessed by staff and students. Please stay tuned for further details and information. There will not be an opportunity this year for parents and caregivers to be on site for the book parade or book browsing. We will share plenty of photos of the students dressed up for the parade on Thursday the 22nd of October.

New enrolments for 2021 and for the following year 2022 are still being taken. It is encouraging to see that we already have several prep students enrolling for next year and the year after. Please come in and see Mrs Walters in the front office if you require further information or documents. Pre-enrolling at this time is a way to ensure that your child/children and their needs can be considered prior to the New Year. Teaching staff can organise class groups, order resources and plan more efficiently when we know student numbers well in advance.

Next week we do finish on Thursday the 22nd. **Friday the 23rd has been declared a Public Holiday in VIC and is being called 'Thank you Day'** by our state government.

I would like to thank you all once again for being supportive and remaining calm and positive during this challenging time.

Have a safe and Blessed weekend,

Yours in Christ,
Tim Reimann

so

Devotional Thoughts

Love in Consequences

[1 John 4:18](#): *"There is no fear in love, but perfect love casts out fear. For fear has to do with punishment, and whoever fears has not been perfected in love"*

Punishment can be defined as suffering, pain, or loss that serves as retribution for a bad act. It is generally feared. Fortunately, God saw fit to give us Jesus, who died on the cross to be the retribution for our sin.

God does not desire that we look to His judgment of us with fear. Jesus dealt with that punishment on the cross. While we may have to suffer the consequences of our sin from time to time as discipline, we will not be punished or condemned.

When your children require a consequence for something they have done, consider the difference between punishment and discipline. Punishment creates a temporary break in relationship. Discipline walks alongside them through the bad choice, the way God walks alongside us as a result of Christ's sacrifice. Show God's love by walking with your children through their bad decisions rather than causing a separation from them through punishment.

Notice's
